# TRUMP RIOT NUT'S CANNIBAL RAMPAGE

**EXCLUSIVE**

By BRAD CHADWICK

ONE of the rioters who stormed the US Capitol building earlier this year has been sent to jail after threatening to EAT a probation officer in a fury-filled rampage.

Devoted Donald Trump fan Landon Copeland screamed "I will eat your flesh for nutrients" at the startled official.

## PM's plan for Scotland-NI tunnel 'dead'

BORIS Johnson's plans to build a tunnel or bridge between Scotland and Northern Ireland have been scrapped, according to reports.

The Financial Times reported that the idea is one pledge which would not be fulfilled as the Treasury looks to stick to self-imposed spending limits in next month's Budget.

A Government official told the newspaper the proposed link, between Portpatrick and Larne, was "dead, at least for now".

The Prime Minister (above) had previously supported of the link.

The plans were derided in Scotland. Transport Secretary Michael Matheson said it could cost as much as £33 billion.

Other estimates put the cost closer to £15bn, which would account for a major chunk of spending as the UK comes out of the other side of the pandemic.

## Teen charged over Army vet's death

A TEENAGER has been charged over the death of an Army veteran.

Frank Fishwick, 86, was found with a facial injury after police were called to The Paddock in Preston, Lancashire, on Friday afternoon.

The pensioner was taken to hospital but died on Saturday morning.

Mr Fishwick had spoken to a group of youths in a stairway near his home and was then punched in the face, Lancashire Police said.

Mohammed Al Aaraj, 19, of Preston, has been charged with manslaughter.

# I'M NO DRUNK!

**FORMER** New York Mayor Rudy Giuliani is furiously denying accusations he was drunk during a speech at Cipriani on the evening of September 11 where he imitated the Queen, saying he only had one Scotch and that he is the victim of a left-wing effort to disparage him.

"Yes I had a Scotch. But I was not drunk. There is a deliberate attempt [by] the left wing to paint me that way," he said.

He also denied mocking the Queen when he made comments, captured on video, where he adopted a faux English accent and said "You did a wonderful job on September 11. And therefore I'm making you an honorary knight, commander of the royal something or other".

"That was a serious speech. To say I mocked anybody is outrageous and that I was drunk is completely, completely wrong," said Giuliani.

He said unsubstantiated accusations of public inebriation were harmful to his reputation and were being done because of his efforts on behalf of Donald Trump.

## Donald Trump's lawyer denies he's a pisshead

"I am without a doubt the most accomplished prosecutor of the 20th Century," he said, pointing to his earlier career in the Southern District of New York, where he served as a US attorney and where he is now under investigation.

Pressed on whether he was drinking during the speech, Giuliani responded that he had a single glass of Scotch.

"I am not a drunk. I don't think I've ever [been] publicly drunk in my life. The last time I was, was probably in college.

"I drink moderate amounts of Scotch. I mostly drink Scotch because I like to have it with cigars."

## SAGE expert's 'rough winter' virus warning

THE UK faces a "rough winter" due to the combination of coronavirus, flu and other respiratory conditions that will make a comeback, a leading expert has said.

Calum Semple (above), a member of the Scientific Advisory Group for Emergencies (Sage) and professor of child health and outbreak medicine at the University of Liverpool, told BBC Breakfast "it's not just going to be coronavirus that's causing us trouble" and suggested face masks may need to be brought back in some regions.

"The other seasonal viruses are going to come back," he said.

"Hand hygiene and social distancing reduced influenza. It got rid of influenza and many of the other viruses.

"Now that we're opening up society, we've got to live with not just COVID but the flu will come back, RSV (respiratory syncytial virus) bronchitis will come back, so I think we're going to have a bit of a rough winter.

"I can predict that the NHS is going to have a really tough time."

## Slight drop in COVID deaths

THE number of weekly registered deaths involving coronavirus has fallen slightly as the August Bank Holiday affected registrations, figures show.

There were 659 deaths in England and Wales where COVID-19 was mentioned on the death certificate in the week ending September 3, 7.5% of all registered deaths, the Office for National Statistics (ONS) said.

This is down slightly from 668 the previous week.

But despite the overall fall, deaths involving coronavirus increased in five out of nine regions in England.

The largest increase was in the East Midlands, which registered 18 more deaths.

## Jobs bonanza as bosses report ONE MILLION vacancies

### JOB vacancies have hit a record high as the economy continues to recover, according to official figures.

The number of vacancies in the three months to August rose above one million for the first time since records began in 2001. The unemployment rate fell from 4.7% to 4.6% in the three months to July.

Employee numbers were back at pre-COVID levels in August, the Office for National Statistics (ONS) said.

August payrolls showed

By **SUZIE SHELTON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

another monthly increase of 241,000 to 29.1 million in total.

ONS deputy statistician Jonathan Athow said: "Early estimates from payroll data suggest that in August the total number of employees is around the same level as before the pandemic, though our surveys show well over a million are still on furlough."

But Mr Athow pointed out that the recovery was not even, with areas such as London and sectors like hospitality and the arts still down.

"The overall employment rate continues to recover, particularly among groups such as young workers who were hard hit at the outset of the pandemic, while unemployment has fallen," he said.

Chancellor Rishi Sunak said: "The statistics show that our plan for jobs is working."

### Pain

"As we continue to recover from the pandemic, our focus remains on creating opportunities and supporting people's jobs," he said.

The figures come as the furlough scheme, which was introduced by the government

at the start of the pandemic to stop people being laid off, starts to wind down.

But Yael Selfin, chief economist at KPMG, warned that there could be more pain to come.

"While the pressure should ease as more people look to return to work and the furlough scheme ends, the UK labour market is set to remain choppy with vacancies taking time to fill due to skills shortages and reduced availability of overseas workers," she said.

The food and accommodation sectors saw the biggest jump in the number of jobs available in August, increasing by 57,600.

# LOVE ISLAND AMY'S TROLL HELL

HATE MESSAGES: Amy

FORMER *Love Island* contestant Amy Hart told the Digital, Culture, Media and Sport Committee inquiry into influencer culture that social media companies do not provide enough support to figures experiencing online abuse.

"I am desensitised but I would say that the (social media) networks are not supportive enough when it comes to trolling," she said.

"I have reported some

messages before and they come back saying, 'We have looked at it and it doesn't break community guidelines' and I am like, 'Look at that message!'

"Look at this barrage of messages someone has sent me before 7 o'clock in the morning telling me how much they hate me, how awful I am, why everyone hates me, how ugly I am."

"From a fake account as well, a trolling account, a

burner account, and you are telling me that doesn't break policy?"

Amy said she had stopped reporting abusive messages to social media companies because she did not believe any action would be taken.

The babe told the inquiry: "I delete things, but you see those messages and actually I have probably stopped reporting them now because I know there is no point."

**LOVELY** little Pixie Lott thrilled fans when she shared snaps of her risqué outfit for a night out with fiancé Oliver Cheshire.

"Date night," the *About Tonight* hitmaker, 30, told her fans as she showcased her endless legs and cleavage in the daring sheer floral co-ord.

But when the photo was republished on the website of the hate-filled Daily Mail, some readers reacted crudely.

Fairplay For All, from Stockport, slavered: "Dressed for a quickie between courses."

Yorkie1957 also drooled: "Great outfit for a quickie."

One suggested they would not have made it out for dinner at all.

**DeLonge: If you don't w\*nk, you can't play punk!**

BLINK-182 frontman Tom DeLonge has revealed the secret behind his amazing guitar playing... furious masturbation!

In a new interview with Guitar World, DeLonge (above) noted that the speedy chord strums of pop-punk are more challenging than people realise, requiring you to build some wrist stamina outside of your guitar practice routine.

"Playing fast is not easy. Especially doing it good and doing it for hours," he said.

"You want to know the secret? It's all about masturbating."

"That's the only way to do it. And if you don't masturbate, you can't play punk rock!"

The parallel DeLonge draws between pop-punk guitar and shaking hands with the milkman seem to be entirely physical, with guitarists usually reserving more metaphorical comparisons for virtuosic shredding.

# THAT'S PANTS! NOW UNDIES ARE RACIST

A PAIR of designer trackie bottoms are causing quite a stir after some critics called them RACIST.

Designed by Spanish brand Balenciaga, the 'Tropme-L'oeil' grey sweatpants feature an exposed boxer short built-in above the waistband... a style made famous in hip hop culture during the 1990s.

Critics caught wind of the controversy after TikTok user @mr200m, whose real name is Josiah Hyacinth, posted a video mocking the design at a Selfridges store.

They said: "This feels racist. This feels very racist, guys. They have woven these boxers inside the trousers."

The video is captioned: "You know when something

feels racist @sxbwxyy I have questions," and has already had around 1.6 million hits.

Marquita Gammage, an associate professor of Africana Studies at California State University, said she was disturbed by the Balenciaga item and what she witnesses as "Black culture with the hopes of securing major profits".

She said: "The style has often been used to criminalise Blacks, especially Black males, as thugs and a threat to American society. The trousers have commercial cultural appropriation written all over them."

Meanwhile Twitter user @ThaGuy posted: "I swear these companies do stuff like this to garner attention."

## No jab Minaj caught COVID before VMAs

NICKI Minaj has revealed she is UNVACCINATED and was not moved to get the jab by the Met Gala's attendance requirements.

The chart-topping rapper said she caught COVID while preparing for the MTV Video Music Awards, which took place on Sunday.

Guests at the Met Gala, a glamorous event in New York City known as fashion's biggest night, were reportedly required to be fully vaccinated in order to attend.

Minaj (*above*), who pulled out of the VMAs, told fans on Twitter she was still researching vaccines.

She tweeted: "They want you to get vaccinated for the Met. If I get vaccinated it won't for the Met. It'll be once I feel I've done enough research. I'm working on that now. In the meantime my loves, be safe. Wear the mask with 2 strings that grips your head & face. Not that loose one."

Minaj also revealed that Drake, her close friend and superstar rapper, caught COVID despite being vaccinated.

## 'Cracking up' Stonehenge gets repairs

THE first major repairs to Stonehenge in more than 60 years began yesterday.

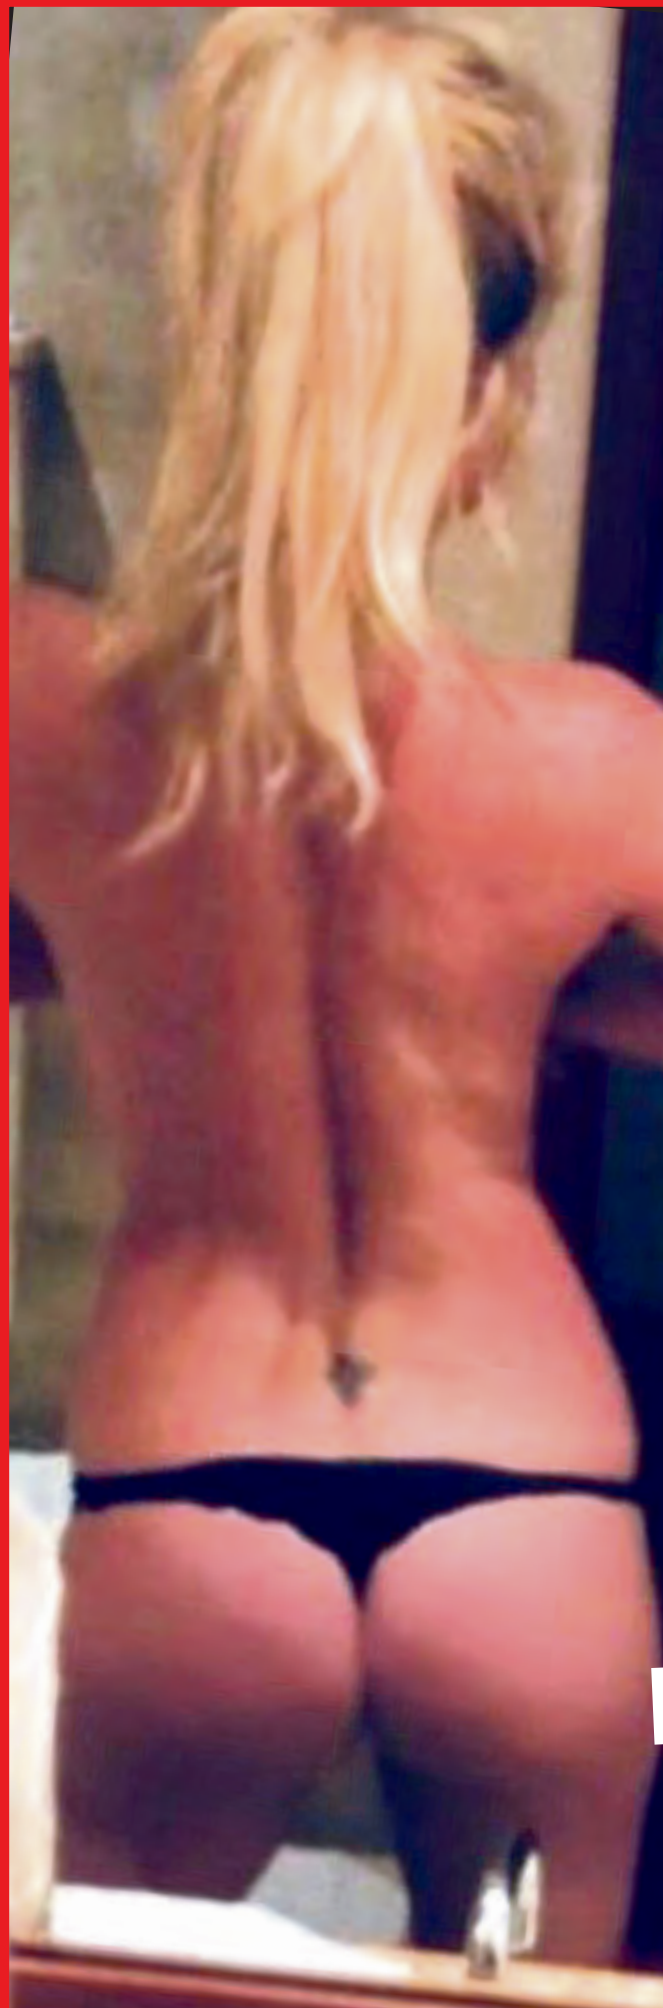

Strong winds buffeting the stone circle in Salisbury Plain have taken their toll on its horizontal stones, called lintels, which may start rocking or become unstable.

The two-week job will see 22ft scaffolding go up so holes, cracks and joints can be refilled.

It is hoped no further repairs will be needed for the rest of the century.

The last large-scale restoration took place in 1958 when several fallen stones were hauled back into place within the 4,500-year-old circle.

The new work to the major UK tourist attraction will be done in full view of visitors.

# I'VE NEVER SEEN LESBIANS BEFORE'

GUILTY: Kashif Gulzar

**A PERV crept up to the window of two women and filmed them as they kissed.**

Kashif Gulzar got out of his car to go and film the students, claiming he was "curious" as he had not seen two women kiss before.

He was seen on CCTV going over to the window and returning to his car before getting back out and peering again through the window.

When police caught up with Gulzar he claimed he would have had to delete the videos before returning home to his pregnant partner.

Andrew Page, prosecuting at Liverpool Magistrates' Court, said the victim was at her home address in Wavertree on May 6 with a friend.

Another resident who was "playing on his computer" had a monitor which displayed CCTV from outside his home.

Mr Page said the resident witnessed "a pair of legs walking away from his next door neighbour's address".

He then saw Gulzar who "appeared to be looking into his next door neighbour's home" and then walked away and got into a Nissan Micra.

Mr Page said Gulzar drove a short distance before reversing and "continued to look back at the original address".

He said Gulzar "got his phone out" and "appeared to be taking photographs or a video of the property".

Mr Page said Gulzar

drove away out of view of the CCTV camera but was seen again reversing and stopping before going over to the home.

The witness then saw Gulzar "crouched down" with his phone in his left hand while "looking at the window".

The witness called police and watched as Gulzar remained for five minutes before leaving.

Police stopped Gulzar who told officers he had been filming through the window and he showed them two videos of two women kissing.

Mr Page said when asked why he had taken the videos he claimed he "had dark thoughts" and

## Pervert peeped at two girls kissing

"I've never seen lesbians before".

Mr Page said the woman had "invited a female friend into the room and they had begun kissing for long periods of time".

He said: "This was a private moment between her and her friend". When told what had happened the woman "was upset and felt that her privacy had been invaded".

Gulzar, of Toxteth, admitted voyeurism and was handed a 26-week sentence, suspended for two years.

He was also ordered to pay £85 in costs and a victim surcharge of £128 and must sign the Sex Offenders' Register for seven years.

## Boozed-up star of *The Sopranos* got tied to tree!

A STAR of telly mobster drama *The Sopranos* has revealed how the late James Gandolfini, who played Tony Soprano, once got so drunk he had to be tied to a TREE!

Steve Schirripa, who played Bobby Baccalieri in the hit series, spoke about a moment during filming where Gandolfini and Michael Imperioli got so drunk before shooting a scene that they had to be chained up.

"On the break, while they set up the lights, Michael and Jim drank a bottle of Wild Turkey," Schirripa said.

"They were so drunk that they had to chain their legs to a tree because they were afraid they were going to fall off the cliff."

The scene in question was the moment in Season 4, where Tony Soprano (above) and Christopher Moltisanti (played by Imperioli) threw the body of Ralphie Cifaretto (Joe Pantoliano) off a cliff.

There is renewed interest in *The Sopranos* thanks to an upcoming prequel film.

Benjamin Satterthwaite, 29, entered a plea agreement to second-degree murder, which will bring a sentence of 25 to 30 years in prison.

Satterthwaite was charged in January with killing Joshua Lockard, whose dismembered remains were discovered in two suitcases in Denver, Colorado, when city employees were ploughing snow.

According to the arrest affidavit, one suitcase contained a torso wrapped in a black trash bag. The second suitcase held Lockard's left leg and right upper thigh.

The head, arms and lower left leg were never located.

## Gun killer busted by Insta snap

A MURDERER on the run was caught, thanks to a snap on Instagram.

Cops in New York had been looking for Lee Almonte since December 3, 2017, when Jadel Garcia, 27, was fatally shot six times in the back in the Washington Heights area of the Big Apple.

Police said at the time the shooting was possibly the result of a love triangle caused by an ongoing argument over the victim's wife.

Investigators poured through leads online and finally hit the jackpot when they saw Almonte in a snap on the Instagram account for a Los Angeles barber, getting a trim.

Almonte, 34, was busted during a joint operation with the Los Angeles Sheriff's Department Fugitive Task Force while out riding a bicycle in West Hollywood.

Almonte was indicted for the slaying in 2018 and has now been charged with second-degree intentional murder and criminal possession of a loaded firearm.

Worth, of Birmingham Township, Pennsylvania, was later identified and has been charged with stalking, indecent exposure, open lewdness and harassment.

**A BUSTY Instagram star and panties model has got married... to HERSELF!**

Cris Galéra, an influencer from Brazil, recently married herself outside a Catholic church in São Paulo in the name of "self-love".

"I wasn't ashamed, I went to church with determination," Galéra said of her solo wedding.

"I did my own makeup and hair and everyone was watching because I didn't have a fiancé."

For the ceremony, Galéra sported a white dress with a "killer neckline" that flaunted her best features, her tits.

She even tossed a floral arrangement in celebration.

Galéra was reviving a trend called sologamy, in which single people wed themselves in the spirit of not needing a partner to find happiness.

## Nude

"Most people loved it and found it interesting. They think I'm kidding, but I actually married me! And some women said they'll do the same," Galéra said, adding that she's been courted by "thousands" of men on Instagram who have offered to marry her.

Admitting that issues from past relationships drove her to carry through with her nuptials, Galéra said: "Men have difficulty being faithful or staying with just one woman. They want several at the same time."

"I like to be a priority and I am my priority."

The risqué model, who isn't shy when it comes to posing in the nude, did not say if she fingered herself to consummate her marriage to herself.

He then wrapped her in bandages and covered those with cat litter.

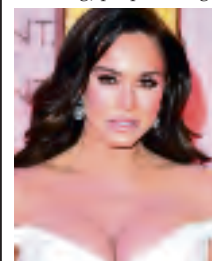

The suspect is accused of benefit fraud and hiding a corpse.

The body of Georgette Kauffman was found inside her garage, a criminal complaint revealed.

Daniel Kauffman said he was shot at five times but managed to crawl out of his home and to a neighbour's house for help.

Alvarez (above) allegedly targeted the couple at their home in El Paso, Texas, on November 14 last year, shortly after the US presidential election.

Alvarez was arrested nearly a year later.

# WAS POSING AS A CONMAN BIGGEST OF ALL?

**I**T remains one of director Steven Spielberg and star actor Leonardo DiCaprio's most successful money-spinning movies. *Catch Me If You Can* was released in 2002 to much acclaim, not least because it was based on the true story of a remarkably

young and successful American conman. But now questions are being asked about the story behind the story. Did any of the daring escapades in the movie actually ring true? Or was it all just another con?

**AN escape through an airport, with a bevy of sexy stewardesses, right under the noses of the FBI.**

A deliciously successful impersonation of an accident and emergency doctor, complete with swinging parties and sexy entanglements on the side.

A harrowing stay in a French prison.

And all before our man was old enough to even drink. Some viewers of Steven Spielberg's *Catch Me If You Can*, the story of teenage con man Frank Abagnale, may now wonder how much of it is true.

And the truth is, they'll never know.

Screenwriters and directors routinely take liberties, usually in the belief that a story can suffer from a poorly timed dramatic arc or insufficient conflict.

## Forged

But *Catch Me*, which claims merely to be "inspired" by actual events, had an even trickier relationship with the truth because its source material is largely unverifiable.

What is known is that, in 1970, Abagnale was arrested by the FBI, which suspected him of posing as a Pan Am pilot and cashing forged cheques in a number of cities.

He served almost four years in prison.

On release, he began working as a cheque-fraud consultant to the government as a condition of his parole, gradually expanding to a private sector consulting business.

His appearances on several *Tonight* shows in the late Seventies

led to a 1980 first-person book, whose title the movie borrows.

What's unverified are most of the intriguing claims in the book and the movie, all of which Abagnale says are true:

● That, beginning at age 16, he cashed £2million in bad cheques in every US state and two dozen foreign countries

● That posing as a Pan Am pilot, which helped him wangle free transportation to stay one step ahead of the law, went on for the better part of five years

● That he also posed for months at a time as a hospital paediatric supervisor, a college

sociology professor and an assistant district attorney

● That he spent six months in a French prison when the authorities there caught up with him

Abagnale is now 73 and retains a highly successful business catering to financial institutions.

He was once described by the *Los Angeles Times* as "a man of charm, polish and evident intelligence whose nuts-and-bolts knowledge of fraud melds perfectly with his teenage scenario".

Over the years, those who have tried to independently verify

his escapades have been told by Abagnale that he would never embarrass the people or institutions he conned by naming them.

In 1978, after Abagnale had been a featured speaker at a San Francisco anti-crime seminar, a reporter took apart Abagnale's assertions at the seminar and on a subsequent *Tonight* show appearance.

Phone calls to banks, schools, hospitals and other institutions that Abagnale mentioned turned up no evidence of his cons under the aliases he used.

## Exploits

Abagnale's response back then was: "Due to the embarrassment involved, I doubt if anyone would confirm the information."

Asked recently about the incident, he said he had intentionally used incorrect names.

Two years later, Abagnale's account of his years of fraud, written with the late professional writer Stan Redding, was published by a Manhattan publishing house.

Although it read like an autobiography, it

featured a strange starting sentence.

It said: "This book is based on the true-life exploits of Frank Abagnale. To protect the right of those whose paths have crossed the author's, all of the characters and some of the events have been altered, and all names, dates and places have been changed."

Several efforts to turn the book into a film initially failed. But finally, Spielberg's DreamWorks studio prevailed.

As the film began to attract media attention, Abagnale added a page to his business website to acknowledge the gaps between the book, the film and the truth.

"I was interviewed by the [book's] co-writer only about four times," he said.

"I believe he did a great job of telling the story, but he also overdramatised and exaggerated some of the story."

"That was his style and what the editor wanted. He always reminded me that he was just telling a story and not writing my biography."

This is one of the reasons that, from the very beginning, I

insisted the publisher put a disclaimer in the book and tapes."

The filmmakers were not shy about changing Abagnale's story.

To heighten the pain of his parents' divorce, they made him an only child, rather than one of four.

To enrich the relationship with his father, they turned his straight-as-an-arrow dad into a hustler, played by Christopher Walken.

They compressed the narrative of his criminality from five years to three.

They doubled the amount of money Abagnale said he stole. And they invented an FBI agent, played by Tom Hanks, who pursued Abagnale around the country early in his scam and eventually to France, when in fact the lack of a coordinated law enforcement effort allowed Abagnale to avoid detection for years.

The epilogue goes so far as to credit the fictitious FBI agent with the career honours won by the real FBI

agent who arrested Abagnale but spent little time on the case.

Screenwriter Jeff Nathanson, who worked on the script for three years, said: "Nobody really cares about having to know exactly what happened."

"But it does matter that we stayed true to sort of what we know happened emotionally to him as a kid."

Still, Nathanson said, the "focus on what's true and what's not true" is "very hard for me".

He added: "Frank's an interesting guy and I consider him a friend, but he doesn't really allow people to get to know him all that well."

"I don't know if anyone will ever know the actual truth."

## Unfair

Abagnale himself has acknowledged that the movie audience see "a cinematic approximation" of his life based on an already stretched literary approximation.

"Basically, I felt the movie was more accurate than the book, but in the final analysis only I really know," he said.

A father of three sons and living in Oklahoma, Abagnale says he has taken pains throughout his adult life to condemn his youthful behaviour and had no role or financial interest in the making of the movie.

And he feels it is unfair for people to challenge his veracity.

He said: "I hope some day people will judge me on how I've spent the last 25 years of my life and not on a few years as a teenager."

**A WOMAN was chopped to bits with a chainsaw by a threesome-addicted couple who buried her remains under their house.**

Kensie Aubry was 32 when she disappeared in October last year. Her body was eventually found dismembered beneath the home of aviation business owner Michael Hendricks and his girlfriend Maggie Ybarra in July.

Hendricks, 40, and Ybarra, 30, stand accused of one count of murder in the first degree and will go on trial next July.

Hendricks is facing separate related sexual abuse charges after a teenage girl reported him to authorities for allegedly touching her vagina over her clothes and trying to entice her to have group sex with himself and Ybarra.

### Violence

The girl's testimony led investigators to the property near Grain Valley, Missouri, where Kensie's mutilated corpse was discovered.

According to the girl, Hendricks and Ybarra boasted of their violence against Kensie and provided photographic proof.

Ybarra had been the

foster mother of the alleged sex crime victim several years prior but was reportedly relieved of her status as her guardian after allegedly allowing multiple sexual partners to abuse the girl.

According to the girl, Hendricks, Ybarra and Aubry "were all sleeping together" and Ybarra said Hendricks "choked [Aubry] to death" and put her in the freezer.

The girl also said Hendricks admitted to cutting up Kensie's body with a chainsaw.

According to police, Hendricks said "it turned him on when people die".

# JUSTIN DUNN'S ROOM 101

## WHAT'S ANNOYING HIM THIS WEEK?

# Where's my cash?

**IT'S exactly two weeks since I discovered I've been getting ripped off for months by Sky TV.**

The missus and I moved house at the end of June and, as one of the many tedious chores of changing addresses, cancelled our contract with them.

But we got a letter saying "come back soon" and even received a nice email thanking us for sending their equipment back.

Presumably, because most ex-customers simply bin it instead.

Now I wish I had, too. It was only by taking a glance at my bank statement on September 1 that I noticed the money had gone out.

Then I went back to discover it had also gone out in July and August, too.

I phoned them there and then on September 1 and went through all the usual rigmarole of telling a talking machine my account name, account password, address, postcode.

Then it was press 1 for sales, 2 for more sales, 3 for high pressure sales, 4 for extreme sales, 5 for supersonic sales... and so on.

### Humming

Eventually, when the telephone system starts to wonder why you're not buying anything off it, the bots put me through to a person.

So there I was, after 15 minutes of pressing buttons, now speaking to a lady in a call centre in India.

The first thing she asked for was the account name, password, address, postcode.

Even though I had already provided them.

But she was only doing her job and it's not like you get a choice (unless it's for differing levels of high pressure salesmanship), so I handed them over again.

After some humming and harring, lots of tip-tapping, and a few times on hold, she said she'd have to transfer me.

Then I was back on hold for ten minutes before Jane - we're in Glasgow now - asks me my account name, account password, address and postcode.

AGAIN. She notices the "overpayments".

No, I said, they are not

"overpayments". You have wrongly taken monies from my bank account. I'm no legal expert but that sounds a bit like "theft" to me.

Eventually she agrees that I am owed money, accepts Sky are in the wrong, apologises, tells me the full refund will be with me within three to five working days.

Needless to say, it was not with me in three to five working days.

And it still isn't now, two weeks later.

During that time I've

spoken to about a dozen Sky operatives in both India and Glasgow over many hours, asking where my money is.

Each one of them has been as useless as the last.

Although one fella in Scotland told me his missus is expecting, which is lovely, but it curiously made no difference to my bank account.

Sky's slogan is "Believe in Better".

And now I do. It's called "Virgin".

## Mum 'helped son and pal beat up boy'

A MOTHER has been charged with battery and child abuse after allegedly helping her son and one of his friends beat up a boy.

Ashley Ruffin, 30, was accused of grabbing the child by his hair and arm during the fight at a sport complex at Indian Trails Middle School, near Orlando, Florida.

Witnesses said she held the boy back so her son and his friend could beat him, and at one point brandished a taser, according to Flagler County Sheriff's Office.

The victim said Ruffin (above) got involved after a fight between two groups of kids, police said.

But mum-of-three Ruffin posted a video to her Facebook page, where she insisted the police allegations were 'biased' and claimed she was trying to break up the fight.

"I'm in so much pain because I would never hurt a child and I had to spend a night in jail undeservedly, away from my new baby," she said in the video.

## Guilty man shot dead after rushing judge and bid to grab gun

A MAN was shot dead in court after he charged at a judge and tried to grab a bailiff's gun.

Christopher Vaughan flipped out inside Person County Courthouse in North Carolina after he was found guilty of false imprisonment.

He yelled and tossed a chair before moving toward the judge.

Vaughan then tried to snag the bailiff's weapon during a struggle with two officers, the North Carolina State Bureau of Investigation said.

That's when a cop shot Vaughan in the head, according to reports.

Vaughan later died at Duke University Hospital.

The police officer broke his hand and the deputy was cut on his neck and head, the bureau said.

Vaughan had been charged with trying to coerce a woman from a Walmart.

**probation officer**

ONE of the rioters who trashed the US Capitol after Donald Trump lost the presidential election threatened to EAT a probation officer!

Federal prosecutors brought up the threat made by Trump fan Landon Copeland during a hearing about whether he should be released pending trial.

They told U.S. District Judge Robin Meriweather that Copeland was previously on pretrial release for "all of two days" before making the threat, which led to him being re-arrested.

"I will eat your flesh for nutrients. You don't know what I am," Copeland told the probation officer, according to a motion from prosecutors seeking to keep him detained.

## Ranting

Just before making the threat, Copeland screamed at a judge and court officials during an off-the-rails Zoom hearing.

He also texted his probation officer from the hearing saying "Tell them I want to speak, or I will die for it!"

Copeland then drove to probation services and spoke to the officer through a glass partition, "ranting about government conspiracies" and claiming "the

government was out to get him".

"At times, he banged his head against the glass and pressed his face against the glass. He told the (probation officer) that 'If I was on the other side of this glass, I would eat you from the inside out because I am starving' and went on to say 'F\*\*k all of you and f\*\*k every single one of you,' the motion states.

With regard to the insurrection, Copeland has said Donald Trump "invited" him to be there and he would "willingly do it again".

Judge Meriweather concluded: "I don't believe stringent release conditions in this case would adequately ensure the safety of the community."

# THE WORLD FAMOUS AGONY Page

Dear Kelly,

I'M a 36-year-old divorced woman and the other week I bumped into an old school pal I hadn't seen for 20 years.

I invited her round to my place for a meal and she revealed she hadn't made love to a man since her husband left her.

I said she must be feeling terribly frustrated but she laughed and said: "That does not mean I haven't had sex."

I didn't understand what she meant until she pushed me back on the sofa, easing my thighs apart. She pulled my panties aside and probed my pussy with her fingers and then the tip of her firm tongue.

It seemed like only seconds before I was experiencing the most powerful orgasm I have ever felt.

For the rest of the evening we sucked, licked and finger-f\*cked each other to orgasm after orgasm.

Now I'm feeling confused. I don't know whether I've been a latent lesbian all along or whether this was just a boozy one-off.

TF, Derby

Kelly says...

THIS is something you'll have to explore further with your friend.

Dear Kelly,

MY mate's mum looks just like the actress Helen Mirren, except she's a bit younger than her and has got bigger tits – plus she always wears some sort of lurid pink all-in-one get-up and talks in a very broad Yorkshire accent.

Nonetheless, last week she sucked me off after we'd had a few drinks in the pub. She dragged me into an alley at the back of the boozer and whipped my rock-hard cock out.

She took me right to the back of her throat and when I erupted in her gob, she swallowed the lot like a real trooper.

I was about to do her from behind when my mate came out of the pub to see what was going on. He was furious with us both and now he won't talk to me.

The trouble is he's got my best jumper and I need it back for a date with his sister!

HV, Leeds

Kelly says...

YOU'RE having a laugh – wear aa shirt!

## Well-hung gym hunk gave me exhausting workout

Dear Kelly,

I'M a 22-year-old single girl and I've never had much luck with the fellas.

In fact, I was a virgin until a couple of weeks ago.

That's when I first went to my local gym.

I was greeted by a hunky guy who took me into the gym to show me the equipment.

### Equipment

Little did I know that he would be showing me his equipment a little while later!

He was soon flirting with me. I responded and he told me he wanted to shag me.

I said I'd like that and he led me to an office.

He locked the door, lay me on the desk and then he began to

lick me out – which was the most wonderful and intimate thing I've ever experienced.

Then he stood up and dropped his trousers – and that's when I first saw his massive cock for the very first time.

When I explained that I was a virgin, he told me that he'd be very gentle.

It was brilliant feeling him inside me and after building up a steady rhythm he f\*cked me harder and harder and gave me an orgasm before he withdrew and spunked his man-milk over my tits.

Now I'm thinking of letting him take me up the arse as well.

Do you think I should?

TC, Birmingham

Kelly says...

WOW, you're a quick learner!

**AGONY IS BROUGHT TO YOU IN ASSOCIATION**

# I enjoy lesbo lust more than sex with blokes

**Dear Kelly,**

**I'm a horny woman aged 26 and have three male lovers.**

But I have just recently discovered I'm bisexual and now I also have a female lover. What's more, I've noticed that a certain edge has gone off the orgasms I'm having with all my different men. For instance, when one of my boyfriends was licking me out the other night, I kept thinking of how my new girlfriend did it so much better.

**Pussy**

It all started when this woman started work at my firm. We had lunch one day and as we walked back to the office she started to talk about sex.

I told her how I love to have a big cock in my mouth and another in my pussy – and if it's timed right they climax at the same time.

Then she told me about all the men she has shagged. All the sex talk got me horny and she suddenly asked me if I'd tasted a woman's pussy.

I said I hadn't and one thing led

to another and that evening I found myself round at her house, a bit nervous but also excited about what might happen.

We had a few glasses of wine and then she led me upstairs into her bedroom, where we both stripped off and fondled each other's breasts.

**Licked**

Then I lay back on her bed and spread my legs as she licked me out.

The first lick of my clit told me I was going to love it, and it wasn't long before I enjoyed my first pulsating orgasm brought on by a woman.

And when I kissed and licked her shaven pussy, I found the taste of her juices was every bit as good as a man's hot spunk.

I loved licking the scent and taste of her off my fingers and ramming my tongue deep into her love-tunnel.

Then we climbed into the 69 position

and got to work on each other with our tongues and fingers.

I had several more orgasms before we both collapsed exhausted into each other's arms.

I had never felt so turned-on and the next evening I went to see her again.

This time she used a huge vibrator on my dripping clunge and engorged clit and I had another amazing orgasm.

But the next time I was with one of my male lovers I found that the orgasms were different – but not as good.

Now I'm starting to wonder should I give up sex with this woman to bring back the orgasms I used to get with my male lover?

*FL, Essex*

**Kelly says...**

**WHY not have a threesome and have the best of both worlds?**

**Dear Kelly,**

**I WAS recently made unemployed. I'm 23, with 32DD boobs and long red curly hair – and didn't enjoy packing biscuits anyway.**

Last week I was approached by a fella in a bar who said if I wanted to make some easy money, become a part-time hooker.

He said I could make a fortune from selling my body and offered me £50 to shag him.

I went to his house and he asked if he could film me in some raunchy poses.

One thing led to another and I found myself in ecstasy with this fella sucking on my clit.

Then he got out a huge dildo and suggested penetrating my arsehole as he screwed me.

I let him use it on my arse and I was soon screaming with delight.

The next day I went to his house and he called in a blonde girl.

She pulled off all my clothes and started sucking on my tits.

Pretty soon she had a dildo in my bum and was lapping at my clit. It was a real turn-on.

I asked if she was a prostitute, but she said she was his wife.

Now they both want to pay me for sex.

What should I do?

*JB, Devon*

**Kelly says...**

**IT'S up to you, but it's probably better than packing biscuits.**

## I serviced car and the horny owner

**Dear Kelly,**

I'm a 32-year-old motor mechanic and the other day this right stunna came into my garage.

Her silver sports car had broken down but it only needed a few bunged-up plugs changing.

I told her I would have to take her motor for a spin as a final check. She joined me and I couldn't believe my luck when she invited me to her flat later.

She told me to come in my overalls and not to wash. I thought it was a bit strange, but if it meant that I was going to get a shag I was up for it.

When I got to her place my spanner was already well hard and I was revved up when she put her hands inside my overalls.

She stripped off and took my throbbing dick between her soft lips and began sucking me off expertly.

**Gulped**

I managed to hold on for about 10 minutes, then I released my handbrake and unleashed my love fluid and watched as she gulped it down.

She then led me to her bedroom and told me to lie on the bed while she went to her bathroom. She came back clutching a can of oil and massaged me with it.

I was soon rock-hard again and I flipped her over, slipped my drive shaft right up her crank casing and gave her a damn good servicing.

The next morning I asked for her number, but she refused and said it was a one-off. What can I do?

*BW, Cumbria*

**Kelly says...**

**NOTHING – I'm sure you'll soon find someone else to satisfy your sex drive.**

# #MY SEX FANTASY

## 'By then I'll be getting on all fours and just begging for it!'

**...WITH LUCY LY, 34D, FROM NEWCASTLE**

**I HAVE a naughty confession to make... I love a spot of anal sex, in fact I'm the queen of bum fun!**

I'll start the night by putting in a vibrating butt plug before me and my fella head out for a drink or a meal.

Then while we're out, I'll hand the remote control to my partner and allow him to turn it on and control my pleasure, teasing me until we get home and the fun can really begin.

I love the sensation of his tongue flicking across my bumhole. Then I like a finger up there, using lots of lube.

By then I'll be getting on all fours and just begging for his hard cock to enter me. And when he does I'm in heaven.

I love to feel a big dick moving gently in and out of my arse.

I also really love a strap-on in the mix for dual vaginal stimulation, or even triple stimulation by rubbing my clit. Yum!

**S**TUNNA Eva Parcker says she wants to get STEAMY in a HOT TUB.

Even though hot tubs are desperately naff and appeal mostly to sex people and the lower orders, the 34C babe said the powerful bubbles which hit her bits never fail to make her feel horny!

Eva is saving up to buy a Jacuzzi and said she'll need a man to fulfil her filthy fantasy... the lucky fella!

The Croydon lass added: "There's something about being near-naked, enjoying a glass of bubbly and the water jets hitting my lady bits that really turns me on."

"It always gets my nipples stiff, and the rush of the water against my inner thighs and bum makes me as horny as hell."

"I've given quite a lot of thought to the positions you could try, and there are loads."

"I can't wait to slip into a hot tub with some lucky guy and just go for it!"

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDs FOR £25 (was £75)**

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day. Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price. *Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests. But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks. We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss! This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

# SHOW ME THE HONEY!

**WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas on these pages!**

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## ANGELICA BLACK

ELECTRICIAN Barry Wright has written to us THREE times this week... begging to see Angelica Black with her norks out.

The 56-year-old maths whizz says Liverpool beauty Angelica gets him all hot and horny – and the Bolton bloke wants to see her knockers again.

Barry gushed: "There's a photo of Angelica from a while back in a tiny pair of anties and it gets me going every time."

Well Barry, we've dug around Sport Towers and we reckon we've found just the shot you wanted – so here you go!

## ELECTRA MORGAN

SALESMAN Gareth Kirkwood only has his eyes on one girl, glamour babe Electra Morgan.

Gareth, 26, from Brentwood, Essex, says Middlesbrough, babe Electra is his perfect match and won't settle for anyone else.

He said: "I've been getting the *Sport* for a few years now and there's no girl like Electra – she's just an absolute worldie."

"In fact, I don't reckon there's a girl in the world who is as good as her."

"Her 32F knockers are sensational!"

## BROOKE LEA

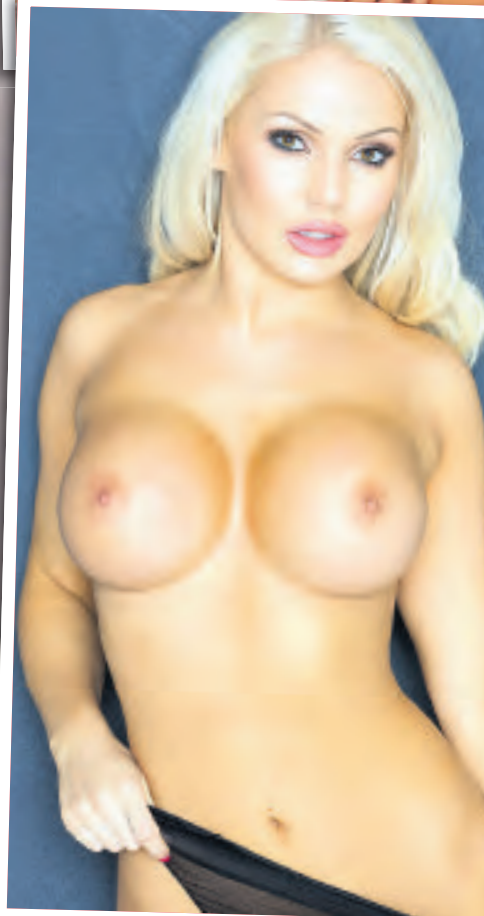

WE'VE had loads of requests for more shots of Brooke Lea and her impressive 32FF funbags.

The Taunton stunner really gets gardener Paul Harper hot under the collar and he told us he just can't wait any longer to see her topless in the *Midweek Sport*.

Paul, also from Devon, says Brooke is his all-time favourite *Sport* babe.

The 41-year-old added: "I can't believe how long it's been since you printed a photo of Brooke."

"I check the paper, cover to cover, every week in the hope of seeing her big breasts splashed across the page. It would make my day to see her – help a guy out!"

**H**OTTIE Tommie Jo has a kinky way to keep fit – BUM FUN.

The glamour babe, who boasts 32G boobs, confessed she's a massive fan of anal play.

Tommie Jo, from Romford, Essex, also revealed her fella let her stick a finger up his chocolate starfish.

"I have always been quite good at getting him to try some new things," she said.

"He was really reluctant to do

that. Blokes are funny about having their arses toyed with – I think they reckon it will hurt or something.

"But when they want to do something to your bum, it's always 'Nah baby, don't worry, this won't hurt a bit'.

"Luckily, my man doesn't have that problem with me though – because I love a finger up MY arse during sex!"

Beautifully put, Tommie Jo.
